Dear Sir,

I think the MISSISSIPPI  
ALLIANCE ~~IS~~ (ANTI-"NUKES") ARE  
A BUNCH OF "NUTS"

Why should a small loud  
minority bring down on country.  
Apparently they want to go back  
to the CAVE-MAN Days.

AT some hearings they bring  
in a long bearded guy in a robe  
who says he is "JESUS"

We should proceed with nuclear  
energy AS soon AS POSSIBLE.

All these "kooky" delays are  
costing millions.

Sincerely  
James Lightcap

Members and Friends of SAFE:

The first week of hearings went very well. Com Ed witnesses stubbornly maintained that Edison's reinspection program proved
