Emile Julian, Chief
Docketing and Service Branch
Office of the Secretary
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Julian:

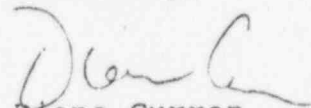

SUBJECT: Yankee Rowe Decommissioning Proceeding

I am enclosing copies of Citizens Awareness Network's and New England Coalition on Nuclear Pollution's Motion for Leave to Reply to Licensee's and NRC Staff's Responses to Their Petition to Intervene and Supplemental Petition to Intervene, and Citizens Awareness Network's and New England Coalition on Nuclear Pollution's Reply to Licensee's and NRC Staff's Responses to Their Petition to Intervene and Supplemental Petition to Intervene. The pleadings have been served on the parties by first-class mail.

Please note that two of the affidavits attached to Petitioners' Reply, the Affidavit of William W. Dougherty and the Affidavit of Bruce Biewald, are faxed copies of signed originals. The original signed affidavits were sent to me by Federal Express, but apparently were delayed in the holiday mail rush. I presume that the Federal Express package will arrive here next week. I will be out of the office until next Friday (December 29), and will forward Dr. Dougherty's and Mr. Biewald's affidavits as soon as I return.

Thank you for your consideration.

Sincerely,

Diane Curran
