In the Matter of
Georgia Power Company, et al.
(Vogtle Electric Generating Station, Units 1 and 2)
Docket Nos: 50-424-OLA-3 and 50-425-OLA-3

Dear Administrative Judges:

On December 12, 1995, the Staff filed the "NRC Staff Proposed Findings Of Fact And Conclusions Of Law In The Form Of An Initial Decision." It has come to my attention that there is an error in the first full sentence on page 16. The sentence should read, "The failure of the PRB to address accuracy concerns demonstrates that GPC lacked the questioning attitude that we would expect in assuring the accuracy of communication with the NRC." Enclosed is a corrected copy of page 16 for insertion in the Staff's filing. We regret any inconvenience caused by this matter.

Sincerely,

Mitzi A. Young
