Re: TMI Litigation

Dear Jim:

I am enclosing a copy of the document entitled "A Review of Dose Assessments at Three Mile Island and Recommendations for Future Research" of Dr. Jan Beyea. This document was recently unsealed by the Court and delivered to me by the Pepper office. Since I have just received the document, I have not had a chance to review it.

Very truly yours,

James M. Sweet

P.S. to Tom Murphy: I recently received from Jim Sargent copies of Molholt's reports dated 31 May, 24 June and 5, 20 and 28 July. I think you have received copies of these documents from Sargent. You might let me know if you didn't, and you need copies from me.

Jim.
