Dear Ms Kimberley:

Per our conversation this morning, I am enclosing a check for \$1510.00 to cover the balance needed to apply for a general license under category 3K of 10 CFR 170.31. As you are aware, I believed that we could amend our existing license #29-13915-05 which would have incurred a fee of \$390.00, but you have informed me that we need a new license incurring a fee of \$1900.00. The enclosed check is the difference in these amounts.

Thank you for your assistance in this matter. As we discussed, any help you could provide in expediting this new license would be greatly appreciated. Please free to contact me should I be able to assist you.

Sincerely yours,

Mark E. Freeman, Ph.D. RSO
