Gentlemen:

Your Quality Assurance Program Approval for Radioactive Packages expires on 10/30/84. In order to provide for continuation of your Quality Assurance (QA) program to be applied to packaging and transportation activities, you should request renewal of your QA program at least 30 days prior to the expiration date. Also, pursuant to 10 CFR Part 170.31, a fee of \$150.00 needs to be included with your application. If you no longer desire to renew your QA program, please let me know.

Sincerely,
