

MAY 05 1992

Docket No. 50-443

Mr. Ted C. Feigenbaum
President and Chief Executive Officer
New Hampshire Yankee Division
Public Service Company of New Hampshire
Post Office Box 300
Seabrook, New Hampshire 03874

Dear Mr. Feigenbaum:

SUBJECT: NRC REGION I INSPECTION 50-443/92-05 (3/3/92 - 4/6/92)

This refers to the safety inspection findings of the resident inspectors at Seabrook station for the period noted. The inspection results are described in the enclosed report and were discussed with Mr. B. Drawbridge of your staff.

Overall, this inspection found that the facility was safely operated. However, we noted that there was a continuing failure to manage the use of overtime which has the potential to cause personnel errors. An apparent violation of NRC overtime requirements is cited in the enclosed Notice of Violation (NOV). Please respond to the apparent violation in accordance with the directions in the NOV.

Thank you for your cooperation.

Sincerely,

Original Signed By:
James C. Linville

James C. Linville, Chief
