In the Matter of
LOUISIANA POWER AND LIGHT COMPANY
(Waterford Steam Electric Station, Unit 3)
Docket No. 50-382 OL

Dear Appeal Board Members:

On August 7, 1984, the NRC Staff ("Staff") filed an unexecuted copy of the "Affidavit of Morris Reich, Charles A. Miller, and Carl J. Costantino" ("Affidavit"), in support of the "NRC Staff's Answer to Joint Intervenors' Amended and Supplemental Motion to Reopen Contention 22" ("Staff's Answer"). As the Staff then indicated, for logistical reasons, an executed copy of the Affidavit was not available for inclusion with the Staff's Answer at the time of filing (Staff's Answer at 1 n.2).

At this time, an executed copy of the referenced Affidavit has been received by Staff Counsel, and is enclosed for filing herewith along with the Attachments thereto. The enclosed Affidavit and Attachments are otherwise identical to the Affidavit and Attachments filed on August 7, 1984.

Sincerely,

Sherwin E. Turk
Deputy Assistant Chief
Hearing Counsel
