Docket Nos. 50-445 and 50-446

Dear Juanita:

With respect to our discussion the other day regarding the references for our motion for summary disposition regarding safety factors, I have had our records reviewed once more. We show the following: Reference 37 was provided as part of reference 17, References 40 and 41 were provided, and References 42-44 had, in fact, not been provided. I have asked that references 42-44 be overnighted directly to you from Westinghouse. If you are unable to locate references 40 and 41, please let me know and we will provide additional copies.

Sincerely,

William A. Horin
