SUBJECT: NRC INSPECTION REPORT NO. 50-160/95-05

Dear Dr. Karam:

This refers to the inspection conducted on December 5-7, 1995. The inspection included a review of activities authorized for your Neely Nuclear Research Center facility. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the report.

Areas examined during the inspection were your program for special nuclear material control and accountability. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observation of activities in progress.

Within the scope of the inspection, violations or deviations were not identified.

In accordance with 10 CFR 2.790(d) and 10 CFR 73.21, safeguards activities and security measures are exempt of public disclosure. Therefore, the enclosure to this letter with the exception of the report cover page, which presents a nonexempt summary, will not be placed in the NRC Public Document Room.

Should you have any questions concerning this letter, please contact us.

Sincerely,

(original signed by
