December 20, 1995

To: Gloria Bennington
Spent Fuel Project Office
U.S. NRC

From: Danny B. Holder
Carolina Power & Light

Subject: Shipment number 95-0225

This letter is a follow up to the conversation we had on December 19, 1995. During that conversation I informed you that shipment number 95-0225 had been canceled and that when the shipment was rescheduled I would send another advanced notification. Should you have any further questions please give me a call at 910-457-2239.

Thank You

Danny B. Holder
