GEORGIANS AGAINST NUCLEAR ENERGY
MOTION FOR EXTENSION OF DEADLINE
TO ANSWER GEORGIA TECH'S AND NRC STAFF'S DISCOVERY REQUESTS

Georgians Against Nuclear Energy (GANE) respectfully submits this request for a deadline extension beyond Friday, December 15, 1995, as set forth in the Atomic Safety and Licensing Board's Memorandum and Order dated November 29, 1995. The deadline was established for GANE to submit answers to NRC Staff's and Georgia Tech's discovery requests on our management contention concerning Georgia Tech's Research Reactor. GANE has conferred with all parties and all agreed to the request to change the GANE deadline to Friday, January 5, 1996.

GANE contacted Judge Bechhoefer, Sherwin Turk and Patricia Guilday about the change and it was agreed by all parties that the other dates in the discovery schedule should be changed as well. After discussion, all the parties agreed that the deadline to submit any motion for summary disposition will be moved from January 12 to January 26 and the deadline for completion of discovery shall be moved from February 1 to February 23.

May the days of returning light and the advent of the new year inspire us all to move quickly and resolve this urgent matter of the Georgia Tech Research Reactor which threatens the health and life of Atlanta's inhabitants - human and otherwise.

Respectfully submitted,

A handwritten signature in cursive script that reads "glenn carroll". The signature is written in dark ink and is positioned above the printed name.

Glenn Carroll

Representative for GANE
