re: Notice of Material License Renewal #47-18409-01

Dear Ms. Gaines:

Review of our current license demonstrates no addition or change in radionuclide usage. The only update in our license is very minor, this being the CONDITIONS of our license #12 which should delete Farooq P. Agha, M.D. and add Kenneth S. Reed, M.D. already admended to our current license.

If there are any further questions about our license renewal please contact our Nuclear Medicine Technologist, Vicky Besse, between 8:30am and 5:00pm any weekday.

Enclosed is the fee schedule you quoted of \$110.00, hopefully this is satisfactory.

Thank you very much for your attention.

Respectfully,

W. Alva Deardorff, M.D.
