In the Matter of  
LOUISIANA POWER AND LIGHT COMPANY  
(Waterford Steam Electric Station, Unit 3)  
Docket No. 50-382 01

Dear Appeal Board Members:

Enclosed for filing is the "Supplemental Affidavit of James P. Knight," dated August 31, 1984. This Supplemental Affidavit clarifies and modifies page 22 of the "Affidavit of James P. Knight" filed in support of the "NRC Staff's Answer to Joint Intervenors' Amended and Supplemental Motion to Reopen Contention 22," filed on August 7, 1984; this clarification is identical to the clarification which was attached to my letter to the Appeal Board of August 9, 1984.

Sincerely,

*Sherwin E Turk*
