Virginia Electric and Power Company
ATTN: Mr. W. L. Stewart
Senior Vice President - Nuclear
5000 Dominion Boulevard
Glen Allen, VA 23060

Gentlemen:

SUBJECT: VIRGINIA ELECTRIC AND POWER COMPANY CORPORATE PLAN REVISION

We have completed our review of the Virginia Electric and Power Company Corporate Emergency Response Plan (CERP), dated December 1, 1991. Our review indicated that the changes meet the planning standards of 10 CFR 50.47(b) and the requirements of Appendix E to 10 CFR Part 50.

Please be reminded that 10 CFR 50.54(q) requires that proposed changes which decrease the effectiveness of your Emergency Plan shall not be implemented without application to and approval by the Commission. However, changes may be made without Commission approval if such changes do not decrease the effectiveness of the Plan, and the Plan, as changed, continues to meet the standards of 10 CFR 50.47(b) and the requirements of Appendix E to 10 CFR Part 50. If a change is made without approval, you should furnish copies in accordance with 10 CFR 50.54(q). Also, any changes to the Emergency Plan Implementing Procedures should be made in accordance with the requirements of Appendix E to 10 CFR Part 50.

Should you have any questions regarding this letter, please contact Mr. William H. Rankin of our staff at (404) 331-5618.

Sincerely,

WEC

William E. Cline, Chief
Radiological Protection and
Emergency Preparedness Branch
Division of Radiation Safety
and Safeguards
