Docket No. 50-457

Commonwealth Edison Company
ATTN: Mr. Cordell Reed
Senior Vice President
Opus West III
1400 Opus Place
Downers Grove, IL 60515

Dear Mr. Reed:

Thank you for your letter dated May 4, 1992, in response to our February 20, 1992 letter concerning information pertaining to employees being required to work double shifts at the Braidwood Station (AMS No. RIII-91-A-0100).

In our letter, we requested that you fully analyze the information and take all actions that you deem appropriate to resolve this issue and submit the results of your investigation to the NRC.

Your response indicated that the information was unsubstantiated. We found your investigation to be sufficient to support your conclusions and have no additional questions regarding this matter. We request that you retain the supporting documentation for your investigation for a minimum of one year from the date of this letter.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter will be placed in the NRC Public Document Room.

Your cooperation is appreciated.

Sincerely,

Edward G. Greenman, Director
Division of Reactor Projects
