RE: RENEWAL OF NRC LICENSE #25-16773-02

Dear Mr. Whitten,

St. Patrick Hospital (Missoula, Montana) will shortly be moving into a new facility directly adjacent to the current hospital. The renewal application addresses this. As we wish to conform fully with NRC and the public safety we would appreciate your handling of the renewal application as soon as is convenient. In this manner any mistakes or omissions on our part may be handled prior to the move.

Thank you for considering this request.

Sincerely,

Robert J. Miller  
Medical Physicist
