Mr. Miltenberger:

REVISION TO EXAMINATION REPORT NO. 50-354/91-25 (OL)

The examination report, originally issued on February 14, 1992, contained errors with respect to the written examination. Several questions were misidentified as having been answered incorrectly by a majority of the candidates. The enclosure to this letter reflects the correct information. Please replace the original page 3 and 4 of Report 50-354/91-25 (OL) with the enclosure. The revision bars in the margin denote where changes were made.

We regret any inconvenience this error may have caused.

Sincerely,

Lee H. Bettenhausen, Chief
Operations Branch
Division of Reactor Safety
