Re: LIMERICK NUCLEAR FACILITY

Dear Sir:

Since there isn't enough
water in the Schuylkill River or
even with the help of deep wells
on the Delaware River - how
can you possibly OK the
opening of the Limerick
Nuclear Facility! We've had
a drought in '83-'82 & '81!

Kindly give this your
consideration.

Sincerely,
Betty Rice M. Titone
& C. Titone
