Docket # 50-352  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Sir: Re: Limerick Nuclear Facility

How can you assume that  
a "plume" from the Limerick  
Nuclear Facility will stop at  
a 10 mile radius in case  
of an accident? Did God tell  
you so?

Philadelphia is just 20  
miles from Limerick. Please  
consider using coal w/ scrubbers  
as an alternative.

Yours truly  
Betty Rice M. Titone
