Post Office Box 14000

Dear Mr. Goldberg:

I would like to thank you for recently allowing Kazakstani and Armenian physical security inspectors to observe the NRC physical security inspection at the Turkey Point Nuclear Power Plant from December 11-15, 1995. Messrs. Fred Marcussen, Ronald Hess, John Brooks, and Ms. Gail Doran were especially accommodating to the visitors with regard to discussions on physical security systems and procedures.

The information exchange with your staff will be of great value to the Kazakstanis and Armenians, who are striving to upgrade their own systems of MC&A and physical protection at both the facility and national regulatory levels.

Your cooperation and support has greatly helped to enhance our work under the Cooperative Threat Reduction Program.

Sincerely,

151
