In the Matter of
LONG ISLAND LIGHTING COMPANY
(Shoreham Nuclear Power Station)
(Decommissioning Order)
Docket No. 50-322-DCOM

Dear Mr. Chilk:

Enclosed is a copy of "NRC RESPONSE TO MOTION TO WITHDRAW SUPPLEMENTAL FILING," which supersedes the pleading of the same name filed yesterday. Through inadvertence, the Staff's May 26, 1992, pleading was erroneously filed before the Licensing Board and did not address what effect withdrawal of Petitioners' supplemental filing would have on the "NRC Staff's Motion To File Response Pleading," dated May 6, 1992.

Sincerely,

Arlene A. Jorgensen
Counsel for NRC Staff
