TMI Program Office
Attn: Dr. B. J. Snyder
Program Director
US Nuclear Regulatory Commission
Washington, DC 20555

Dear Dr. Snyder:

Three Mile Island Nuclear Station, Unit 2 (TMI-2)
Operating License No. DPR-73
Docket No. 50-320
Signature Authority and Distribution of Correspondence

Please be advised that Mr. F. R. Standerfer has assumed the position of Vice President/Director, TMI-2 effective July 23, 1984, and is authorized to sign all future correspondence from GPU Nuclear regarding TMI-2 including that which requires the signature of an Officer of the Company. Mr. T. F. Demmitt has assumed the position of Deputy Director, TMI-2. In this capacity, Mr. Demmitt is authorized, in Mr. Standerfer's absence, to sign submittals to the NRC regarding TMI-2 with the exception of Technical Specification Change Requests, License Amendment Requests, and other correspondence requiring the signature of an Officer of the Company. Mr. J. J. Barton, formerly Deputy Director, TMI-2, has assumed the position of Special Assistant to the Director, TMI-2.

Please revise the NRC correspondence distribution list for docketed correspondence to include Messrs. Standerfer, Demmitt, and Barton and reflect their new positions.

Sincerely,

E. E. Kintner
Executive Vice President
