Good afternoon Mr. Hannig,

We have reviewed your request to inactivate registration certificates NR-0122-D-101-B and NR-0122-D-103-B.

In your letter dated March 30th, you reported that 62 devices are still in use.

For our records, please indicate how many devices are the MK 1.0 and how many are the MK 2.0.

Please let me know if you have any questions.

Thank you,
