MEMORANDUM FOR: Parties in Catawba Proceeding

FROM: W. Neill Thomasson *W Neill Thomasson*
Office of Policy Evaluation

SERVED SEP 14 1984

SUBJECT: TOUR OF CATAWBA

Staff from the Nuclear Regulatory Commission's Office of Policy Evaluation will participate in a plant tour of the Catawba Nuclear Power Plant on September 27, 1984. The tour will be for the purpose of familiarization with the power plant. There will be no discussion of matters currently under adjudication. The plant tour to be conducted by NRC's resident inspector is to begin at 10 a.m. and is expected to last no more than four hours. Parties may have one representative join the NRC group. Notice of such a request must be given by September 21, 1984 so that proper arrangements may be made. Contact in response to this notice should be Dr. Neill Thomasson at (202)634-1428.
