Mr. Roland A. Hultsch
Reactor Physicist
University of Missouri
Research Park
Columbia, MO 65211

Dear Mr. Hultsch:

In response to your note of January 24, 1996, we are enclosing a revised Enclosure 1 to spent fuel route No. 182 approved December 15, 1995, and new pages 7-10 to replace those pages in Enclosure 2.

We agree that Chattanooga, Tennessee, should be added to the list of cities on this route requiring armed escort. Augusta, Georgia, is listed because the population for that urbanized area exceeds 100,000 according to the 1990 Census. Accordingly, armed escorts are required for the following urbanized areas on this route: St. Louis, Missouri; Nashville and Chattanooga, Tennessee; and Atlanta and Augusta, Georgia.

Should you require additional information or have questions concerning this matter, please contact John Cook of my staff at (301) 415-8521.

Sincerely,
