Updated Emergency Plan

Ladies and Gentlemen:

Enclosed please find the updated Emergency Plan for ARRR. (R-98). The changes comply with 10 CFR 50.54 q(3). This updated plan does not reduce the predecessor's effectiveness (dated February 12, 2018); the changes are mainly administrative in nature. Therefore, the enclosed document is placed into service. (This document does not contain safeguards information.)

I declare under penalty of perjury that the statements made in the enclosures are correct and truthful to the best of my knowledge.

Should you have any questions or require additional information regarding this submission, please contact AO President David M. Slaughter, Ph.D. at (801) 631 5919 or dmsraven@gmail.com

Sincerely yours,

David M. Slaughter, Ph.D.
President, Reactor Administrator and Manager
Aerotest Operations, Inc.
