Dear Mr. Schenker:

We have reviewed the Agreement between LIPA, the Town of Brookhaven, Suffolk County and Shoreham Wading River Central School District and the Settlement Agreement between LIPA and the Shoreham Wading River Central School District and Scientists and Engineers for Secure Energy, transmitted by letter dated June 3, 1992, from James P. McGranery, Jr., to Samuel J. Chilk, Secretary of the Commission.

During our review we found no provision that would restrict the ability of any person from communicating with the NRC at any time with respect to any safety concerns that such person may have about decommissioning or any other aspect of Shoreham nuclear facility safety. Please advise, by prompt return mail or fax, whether you have any reason to believe that we are incorrect in this regard.

Sincerely,

(Fax No. 301-504-2162)
