Review Document Number 10

TO: Distribution

SUBJECT: Review of Calvert Cliffs PTS Report Appendix D and E

Please find enclosed a copy of Appendix D and E of the Calvert Cliffs Unit 1 PTS report. It should be noted that one version of Appendix D has already been submitted for review. However, in writing Appendix E it was determined that the Appendix should be structured somewhat differently. Thus, the new version of Appendix D is presented here for comment.

Please review and return your comments by Friday, September 14. If additional time is needed for review please let me know.
