Re: In the Matter of Commonwealth Edison Company
(Byron Nuclear Power Station, Units 1 and 2)
Docket Nos. 50-454 and 50-455 OL

Dear Administrative Judges:

In our rush to file our Proposed Supplemental Initial Decision, page 171 was inadvertently omitted. We here enclose that page and apologise for any inconvenience this omission may have caused.

There is also a typographical error in our filing which should be corrected. At page 154, paragraph 288, we state that 22 surveillances of Hatfield have been performed since August, 1983. This number should be 222.

Very Truly Yours,

Mark C. Furse
