REPORT TO THE ASLB WITH REFERENCE
TO THE EMERGENCY PLANNING CONTENTIONS

Since the prehearing conference June 19, 1984, there has been a meeting of the parties to discuss certain revisions to the Emergency Response Plan. It was agreed that certain matters could be resolved by a revision to the plan itself and that others would better be handled by legislation.

The agreed upon legislation has been enacted (Acts 1984, No. 825). The revisions to the plan itself are being made and will be submitted to FEMA and NRC for review.

Based on the above, and subject to the submission of the plan revisions, intervenors intend to submit a motion to this Board to dismiss the Emergency Planning Contentions.

This report has been read by telephone to all parties hereto, and is agreeable to them.

Respectfully submitted,

WILLIAM J. GUSTE, JR.
