Subject: PWR Owners Group, Risk Management Committee
For Information Only - PWROG Presentation Materials to Support Continued Collaboration on "Component Reliability Data Issues for Discussion with NRC Research" per PA-RMSC-1494

The PWR Owners Group continues to work with the NRC on a Project Authorization in the Risk Management Committee which is focused on component reliability data (PA-RMSC-1494). This letter serves to transmit the PWR Owners Group meeting materials to the NRC and INL so that they may have them for informational purposes to support the closed meeting scheduled on April 9, 2020 on this topic.

Enclosure 1 contains the presentation titled "Component Reliability Data Issues for Continued Discussion with NRC" which will be used to facilitate discussions during the closed meeting.

Enclosure 2 contains "Review of CCF Events" which is being provided to also facilitate discussion during the meeting.

If you have any questions, please do not hesitate to contact me at (602) 999-2080 or Mr. W. Anthony Nowinowski, Executive Director of the PWR Owners Group, Program Management Office at (412) 374-6855.

Sincerely yours,
