Dear Messrs. Gunter and deCamp:

The purpose of this letter is to provide you with an update on the status of your Section 2.206 petition dated December 8, 1994. Since my last letter dated December 19, 1995, the NRC staff has received and reviewed the results of the Chemical Composition testing performed at the National Institute of Standards and Technology (NIST). The staff is in the process of preparing a Director's Decision which will respond to each aspect of your petition.

I will inform you if there is any change to the status of your petition. If you have any questions, please contact me at (301) 415-3473.

Sincerely,
