REF: TU Electric letter logged TXX-95209 from C. L. Terry  
to NRC dated August 8, 1995

Gentlemen:

Attached are CPSES Fitness-For-Duty Program Performance Data for the six month periods of January 1, 1995 through June 30, 1995 (Revision 1) and July 1, 1995 through December 31, 1995. The data required by 10CFR26.72(d) are provided on standard forms with the exception of the summary of management actions and list of events reported, which are provided on a separate page titled "Summary of Management Action."

The data attached for the period of January 1, 1995, through June 30, 1995, was originally reported by the referenced TU Electric letter; however, subsequently we discovered an error in the testing results reported and therefore we are revising those results in this correspondence.

If there are any questions, please contact Mr. James Brown at (817) 897-8912.

Sincerely,

C. L. Terry
