Notification of Change in Limited Senior Reactor Operator Status

Gentlemen:

This letter is being submitted, in accordance with the requirements of 10CFR50.74, to provide notification of a change in status of the Limited (i.e., fuel handling) Senior Reactor Operator (LSRO) License issued to the following individual.

Timothy A. Rock - Docket No. 55-61639, License No. SOP-11047

The reason for this change is the reassignment of Mr. Rock's duties, and PECO Energy's determination that there is no longer a need for this license as originally certified under the requirements of 10CFR55.31(a)(3).

If you have any questions, please do not hesitate to contact us.

Very truly yours,
