

OFFICE OF THE SECRETARY

UNITED STATES NUCLEAR REGULATORY COMMISSION WASHINGTON, D.C. 20555

RELEASED TO THE PDR 6/12/92 date initials

June 10, 1992

MEMORANDUM FOR: James M. Taylor Executive Director for Operations FROM: Samuel J. Chilk, Secretary SUBJECT: SECY-92-140 - SHOREHAM NUCLEAR POWER STATION DECOMMISSIONING ORDER

The Commission has issued the attached orders granting petitioners Joint Consented Motion to Dismiss. Because the oppositions have been withdrawn, the Commission has no objection to the staff's issuance of an order approving the licensees' plan for the decommissioning of the Shoreham Nuclear Power Station.

In noting no objection to the staff's proposal to approve the decommissioning plan for Shoreham, the Commission expresses no view on the staff's legal or policy arguments on procedures for considering proposed decommissioning plans as expressed in Secy 92-140. Rather, additional generic guidance regarding hearings and procedures in decommissioning plan proceedings will be provided following receipt of an OGC paper.
