Dear Mr. Cantrell:

This letter is to provide you with individual examination results for your applicant who took the initial license examination on January 19, 1996. In accordance with 10 CFR 2.790, this information is considered "proprietary." The enclosed information supplements and is in addition to the examination report which will be issued shortly.

The following information is enclosed with this letter:

- Enclosure 1: Completed ES-501-2, Power Plant Licensing Examination Results Summary, which summarizes the examination results. The individual passed the examination.
- Enclosure 2: A copy of the individual's license.
- Enclosure 3: ES-401-1, written examination and answer sheets for the applicant.

Enclosure 3 provides information identified by the examiner for the individual applicant. Through your Systems Approach to Training (SAT) Program, we expect you will review the results and provide appropriate remedial training for individuals independent of their overall pass status. The applicant has authorized the release of this information to your facility by signing Block 19A of NRC Form 398.

If you have any questions pertaining to this information, please contact me at 708-829-9707.

Sincerely,

Thomas M. Burdick, Chief
Operator Licensing Branch
