

AUG 31 1984

Docket No. 50-341

The Detroit Edison Company
ATTN: Wayne H. Jens
Vice President
Nuclear Operations
6400 North Dixie Highway
Newport, MI 48166

Gentlemen:

This refers to the routine safety inspection conducted by Messrs. C. Ramsey, F. Maura, R. Eberly, H. Thomas, and T. Cappola of this office on May 14-18, June 5, and July 10-11, 1984, of activities at Enrico Fermi Nuclear Power Plant, Unit 2, authorized by NRC Construction Permit No. CPPR-87, and to the discussion of our findings with you and others of your staff at the conclusion of the inspection.

The enclosed copy of our inspection report identifies areas examined during the inspection. Within these areas, the inspection consisted of a selective examination of procedures and representative records, observations, and interviews with personnel.

No items of noncompliance with NRC requirements were identified during the course of this inspection.

Certain other activities, set forth in the Appendix to this letter, appear to be a deviation from commitments which you have made in previous correspondence with the Commission. Please advise us in writing within thirty days of the date of this letter of the corrective action you have taken or plan to take, showing the estimated date of completion with regard to these deviations.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure(s) will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained therein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1). If we do not hear from you in this regard within the specified periods noted above, a copy of this letter, the enclosure(s), and your response to this letter will be placed in the Public Document Room.

The responses directed by this letter (and the accompanying Notice) are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.
