SUBJECT: INITIAL OPERATOR LICENSING EXAMINATION REPORT NO. 50-354/95-21

Dear Mr. Eliason:

During the period of December 18-21, 1995, the NRC administered initial examinations to five employees of your company who had applied for licenses to operate the Hope Creek Generating Station. At the conclusion of the examinations, the preliminary findings were discussed with Mr. Reddeman and other members of your staff.

All of the applicants passed the initial examinations and were subsequently issued licenses. The applicants were well prepared for all portions of the initial examinations.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and its enclosure will be placed in the NRC Public Document Room.

Should you have any questions regarding this information, please contact Tracy Walker of my staff at (610) 337-5381 or me at (610) 337-5211.

Sincerely,
