Dear Ms. Remis:

The purpose of this letter is to confirm your August 17, 1984 call with Dr. Anthony Bournia in which you requested a two day extension in providing comments on the Hope Creek Draft Environmental Statement. This request was also made in your letter of August 16, 1984.

In the telephone call and letter you noted that the additional time would allow you to complete your review and formulate comments on the document. We believe your request to be reasonable and have granted the two day extension as requested.

Sincerely,

A. Schwencer, Chief
Licensing Branch No. 2
