and 50-388/NPF-22

Dear Mr. Martin:

In response to your letter dated August 31, 1984, which was received September 6, 1984, PP&L has reverted to approved wording for the section referenced in your letter. Attached are revised insertion instructions for Change R to the Physical Security Plan along with revised pages where appropriate. The attachments are marked with change bars to identify changes from the plans currently held.

In accordance with previous discussions with Mr. W. Kushner, two copies of the attachment are provided to Region I with this letter. Four copies of the attachment are being forwarded separately to NRR. Please insert these into your plans. PP&L is now in full compliance with these plans as revised by the attached pages.
