Re: In the Matter of Commonwealth Edison Company
(Byron Nuclear Power Station, Units 1 and 2)
Docket Nos. 50-454 and 50-455 OK

Dear Administrative Judges:

We have discovered several typographical errors of substantive value in the Proposed Supplemental Initial Decision which we filed last week. These are as follows:

1. Paragraph 106, last sentence:

"As we will explain below, evaluations
1,244 of the Hatfield discrepancies"

should be:

"As we will explain below, 1,244 of the
Hatfield discrepancies"

DS03

2. Paragraph 286, last sentence:

"improperly implemented"

should be:

"properly implemented"

3. Paragraph 332, last sentence:

"inadequate"

should be:

"adequate"

We apologize for any inconvenience this may have caused.

Very truly yours,

Mark C. Furse
One of the Attorneys for
Commonwealth Edison Company
