SUBJECT: Supplemental Report To Reactor Decommissioning Report

References: (1) Letter, D Luster-CUA to T. Dragoun-NRC dated 12-20-94  
(2) Letter, J. Joyner-NRC to D. Luster-CUA dated 2-3-95  
(3) Letter, D. Luster-CUA to J. Joyner-NRC dated 6-2-95

Dear Mr. Joyner:

The reference 1 letter transmitted CUA's reactor decommissioning report and final status surveys for the facility currently licensed under reactor license R-31. The reference 2 letter requested additional information regarding the report which was partially provided in the reference 3 letter.

This letter transmits the remainder of the requested information as a new Appendix C to the decommissioning report and, along with final page revisions to the report, completes the information requested. We await the scheduling of NRC's confirmatory surveys.

Should you have any questions or require additional information, please contact me.

Sincerely,

*Donald R. Luster*

## PACKAGE CONTENTS

This package contains supplementary information pertaining to the final decommissioning report which was submitted in the letter dated 12-20-94, D Luster-CUA to T. Dragoun-NRC.

- Packet "Appendix C": This is a new appendix which should follow appendix B of the report.
- Packet "Page Changes": This packet consists of individually revised pages which should replace the equivalent originals of the report. Each page is identified by page number and a revision date.
