Letter to Lynne Bernabei, Esq.  
September 18, 1984

Week of October 1, 1984

Monday (10/1)	None (Possible ASLB conference)
Tuesday (10/2)	9:30 Gary Miller 1:30 Robert Arnold
Wednesday (10/3)	9:30 Herman Dieckamp 2:30 Craig Faust 4:00 William Yeager
Thursday (10/4)	9:30 Henry Myers

All depositions, excepting Henry Myers', will be held at the previously noticed location in Harrisburg; the Myers deposition will be in Washington, D.C. TMIA intends to subpoena Yeager, and is checking the availability of Chwastyk, Flint and Myers; Licensee is checking the availability of the others. The deposition of Henry Myers will be taken before a reporter from Alderson Reporting Company authorized to administer oaths in the District of Columbia; the remaining depositions will be taken before Mary Jones, an individual selected by TMIA who is authorized to administer oaths in Pennsylvania. The subject matter of the Myers deposition is as stated in the Notice of Deposition; the subject matter of the other individuals is matters related to the Dieckamp mailgram, including specifically the generation and subsequent combustion of hydrogen, the pressure spike, the initiation of core spray, instructions regarding the use of electrical equipment, and in-core thermocouple readings on March 28, 1979.

Sincerely,

*Ernest L. Blake, Jr.*
