Rosemead, California 91770

Attention: Mr. Kenneth P. Baskin, Vice President
Nuclear Engineering, Safety and Licensing Department

Gentlemen:

This will acknowledge your letters of July 2 and August 7, 1984, from Linda Bray and Harold B. Ray respectively, that describe the contents of a file you established for the verification and validation of your computer dose projection program (EARs). These letters were sent in response to our July 9, 1984 correspondence that transmitted the Emergency Response Facilities Appraisal Report. Your actions as described in these letters will be examined during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

M.D. Schuster

M. D. Schuster, Acting Chief
