Transmittal of Exercise Scenario Manual for the 1995 Byron
Annual Exercise

Enclosed is one (1) copy of the Exercise Controller's Manual for the 1995 Byron Station Annual Exercise. This manual is delivered in accordance with NRC requirements. Additional copies of this Manual have been forwarded to Region V of the Federal Emergency Management Agency (FEMA) to support their review of State(s) Objectives for this exercise.

The Byron Station Annual Exercise will be conducted on November 15, 1995. This is a partial-participation for the state of Illinois and those counties impacted by the Byron Emergency Planning Zone..

The Exercise Scenario Manual is on selected distribution and should not be made available to potential exercise participants.

If you have any questions about the Byron Annual Exercise, or about the material contained in this Exercise Manual, contact Ms. Leslie Holden at 708-663-6673, or Mr. Paul Elkmann at 708-663-7328.

Sincerely,
