Perry Nuclear Power Plant
Docket No. 50-440
License Amendment Application to Revise the Facility Operating License
to Reflect the Proposed Merger of Operating Companies - Supplemental
Information

Gentlemen:

An application was submitted on June 2, 1994 (letter PY-CEI/NRR-1794L), for an amendment to the Perry Nuclear Power Plant (PNPP) Operating License, Number NPF-58. The proposed changes reflected the pending merger of the Toledo Edison Company (TE) into the Cleveland Electric Illuminating Company (CEI). Supplemental information regarding the initial application has been submitted in letters dated July 29, 1994 (PY-CEI/NRR-1832L), November 10, 1994 (PY-CEI/NRR-1883L), April 24, 1995 (PY-CEI/NRR-1943L), and September 20, 1995 (PY-CEI/NRR-1985L).

The initial submittal used the nomenclature "NEWCO" as a temporary substitute for the name of the new, combined operating company. The name of the new company will be Centerior Electric Company. Accordingly, this name should be substituted wherever "NEWCO" appears in the proposed amendment submittal.

If you have questions or require additional information, please contact Mr. James D. Kloosterman, Manager - Regulatory Affairs at (216) 280-5833.

Very truly yours,
