ATTENTION: MR. T. R. QUAY

SUBJECT: REVIEW OF NRC MATERIALS FOR PROPRIETARY INFORMATION

Dear Mr. Quay:

Westinghouse has reviewed for proprietary material the information enclosed with the following letters submitted to Westinghouse. Our review indicates that the identified materials contain no information that Westinghouse considers proprietary.

1. August 22, 1995, NRC Letter, Huffman to Liparulo, "Followon Questions Concerning AP600 Preliminary Validation Reports for NOTRUMP"
2. August 31, 1995, NRC Letter, Huffman to Liparulo, "Followon Questions Concerning the AP600 LOFTRAN and LOFTTR2 Final Verification and Validation Report"
3. September 14, 1995, NRC Letter, Jackson to Liparulo, "Request for Additional Information Related to the AP600 Probabilistic Risk Assessment"
4. September 22, 1995, NRC Letter, Huffman to Liparulo, "Staff Comments and Followon Questions on AP600 Test Reports"
5. September 22, 1995, NRC Letter, Huffman to Liparulo, "Followon Questions Concerning AP600 NOTRUMP Preliminary Validation Reports for OSU and SPES-2"

Please contact John C. Butler (412-374-5268) if you have any questions concerning this review.

Brian A. McIntyre, Manager
