Docket No. 50-443

Public Service Company of New Hampshire  
ATTN: Mr. William B. Derrickson  
Vice President - Nuclear Energy  
P. O. Box 330  
Manchester, New Hampshire 03105

Gentlemen:

This letter confirms discussions between Mr. H. Wescott of this office and Mr. G. F. McDonald of your staff that a management meeting will be held at the NRC Region I office on September 25, 1984 at 1:00 p.m. This meeting will provide you and your staff the opportunity to update NRC Region I on your plans and progress in assuring quality of piping and support installation. Your presentations should include management controls over contractor activities, QA/QC function and interfaces, and overall progress in resolving, and preventing recurrence of, past deficiencies.

If your understanding of the meeting arrangements or purpose differs from ours, or if you have further questions, please contact this office promptly.

Sincerely,
