Washington Public Power Supply System-Hanford Two, Docket No. 50-397

I am forwarding the "General Information" portion of Amendment No. 2 to the application filed by the above referenced applicant for authorization to construct a nuclear reactor, designated as Hanford Two, at the AEC Hanford Reservation site, located in Benton County, Washington.

This information is in response to your memorandum to us dated December 30, 1971.

Robert A. Clark, Chief
Boiling Water Reactors Branch No. 3
Division of Reactor Licensing
